## Preparing a Meetup Project

Irene KAEWKLIN & Charles COSTE

## Meetup Presentation

Ladies and gentlemen, welcome to this meetup on the topic of finding sponsors to organise a meetup event for a young athlete. We are Irene and Charles, and we are honored to be speaking with you all today about a subject that we have a great passion for. and we are proud representatives of Savior an organization dedicated to helping young athletes achieve their dreams through sponsorship and support.

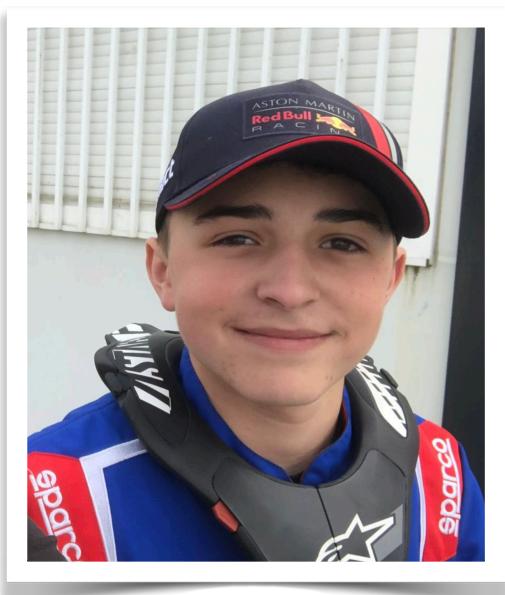

We understand the costs associated with sport materials such as kart racing and how difficult it can be for young athletes to cover these expenses. That's why we work tirelessly to find sponsors who can provide financial support and make it possible for these talented individuals to pursue their passions. We have seen firsthand the incredible impact that sponsorship can have on a young athlete's career, and we are excited to share our knowledge and expertise with you today.

We will be discussing different approaches to finding sponsors, such as networking, social media, and cold emailing/calling, as well as offering tips for crafting a sponsorship proposal and making a strong pitch. We will also be sharing examples of successful sponsorship proposals and answering any questions you may have about the process. We believe that supporting young athletes is not just about funding their dreams, but also about providing them with the guidance and mentorship they need to succeed. We are committed to helping these young talents reach their full potential and achieve their goals, and we hope that you will join us in this mission.

In this presentation, we will be sharing with you our personal experience with finding sponsors for young athletes. as well as tips and advice on creating a winning sponsorship proposal. I hope that by the end of this meetup, you will have gained valuable insights and be inspired to help support the next generation of talented athlete. Thank you for joining us today, and we look forward to sharing our knowledge and passion for supporting young athletes with you

## The Guest

Our focus for today's presentation will be centered around our special guest, Louis Coste, a young and incredibly talented kart rider with a promising future in the sport. Louis is only 15 years old, currently studying in his second year of high school in Brunoy, France. Despite his young age, he has already achieved some remarkable accomplishments in his career.

Louis discovered his passion for karting at the age of 9 in the south of France. From his very first session, he caught the karting virus and never looked back. At the age of 12, he began participating in races, and has since competed in a total of 17 races. His outstanding performances have earned him an impressive record of 15 podium finishes, including 10 victories, with his most recent triumph being the first position in the podiums of the Kartland Championship in 2022.

However, Louis's aspirations do not stop there. He has set his sights on a much bigger goal - to become a GT3 driver and participate in the mythical 24 hours of Le Mans. His passion for karting and his unwavering dedication to his dream have impressed us greatly, and we at [Company Name] are proud to be a part of his journey.

We have been working closely with Louis, providing him with the necessary support and mentorship he needs to achieve his goals. We believe in his talent and his potential, and we are committed to helping him succeed every step of the way. Through our partnership with Louis, we have been able to identify the areas where he needs support the most, including training, equipment, and travel expenses.

However, in order to turn his dream into reality, Louis needs more than just our support. He needs the support of the community - the support of people like you. That's why we are here today, to share with you our knowledge and experience in finding sponsors for young athletes like Louis. Together, we can make a difference in the life of this remarkable young athlete, and help him achieve his dream of becoming a GT3 driver and participating in the mythical 24 hours of Le Mans.

So, without further ado, let's get started with the presentation. We hope that by the end of it, you will have gained valuable insights into the process of finding sponsors, and be inspired to support the next generation of talented kart racers like Louis.

## The Venue

About the venue for our meeting event. We have carefully selected **the Salon Colbert & Choiseul**, located within the esteemed **Hôtel L'Échiquier Opéra Paris - MGallery**, as the perfect setting for our gathering.

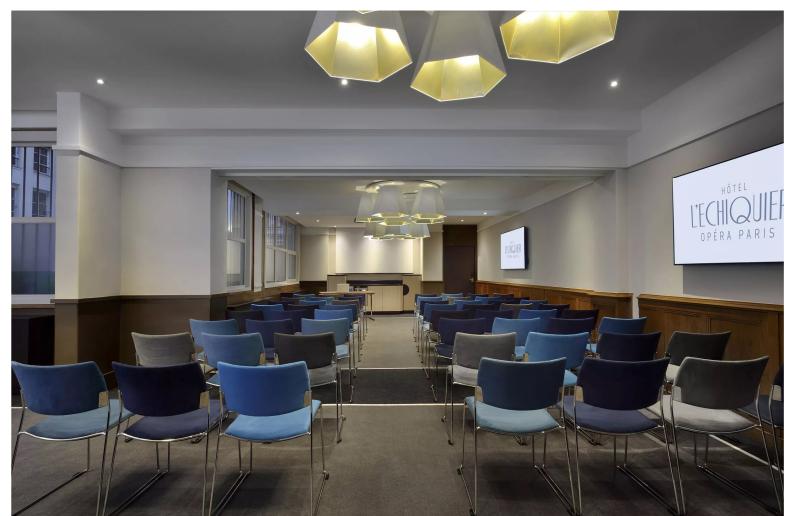

Situated at 38 Rue de l'Échiquier, 75010 Paris, this elegant meeting room provides a warm and welcoming atmosphere for our event. With its tasteful decor and comfortable seating, Salon Colbert & Choiseul offers a conducive environment for engaging discussions and networking.

Considering the nature of our event and our desire for a friendly atmosphere, we have chosen to limit the capacity to accommodate 30 individuals. As a start-up company, we value the importance of creating an intimate environment that encourages meaningful connections and active participation. This smaller gathering will allow us to foster deeper engagement among the attendees and ensure everyone has the opportunity to contribute their insights.

One of the advantages of choosing Hôtel L'Échiquier Opéra Paris - MGallery as our venue is its central location in Paris. This prime location offers excellent accessibility, with numerous transportation options available to facilitate the arrival of our esteemed guests. Whether you prefer to travel by public transport or private means, the hotel's convenient location makes it easily reachable from different parts of the city.

Our event will commence promptly at 2:00 PM to make the most of our time together. Following engaging discussions and networking sessions, we have arranged for a delightful snack to be served at 4:00 PM. This interlude will provide an opportunity for guests to relax, enjoy refreshments, and engage in open conversations before we conclude the event at 6:00 PM.

We are excited to host this meetup in the distinguished Salon Colbert & Choiseul at Hôtel L'Échiquier Opéra Paris - MGallery. Its exquisite ambiance and central location perfectly complement our mission to create a memorable and productive gathering.

## The Sponsors

Now, let's talk about the sponsors who have generously come forward to support this event and help young athletes achieve their dreams. We have carefully selected these sponsors based on their alignment with our vision and their commitment to promoting and supporting aspiring athletes.

Our main partner and sponsor, NSK (National Series Karting), holds a prominent position in the karting industry. As a company that is deeply invested in the development of young athletes, NSK shares our passion for nurturing talent and providing opportunities for them to flourish. They have not only sponsored our special guest, Louis Coste, but have also expressed their willingness to support other young athletes on their journey. NSK's extensive experience and expertise in the karting domain make them an invaluable partner in our mission to help aspiring athletes reach their full potential.

Another sponsor for this event is the Paris Sport Club. The Paris Sport Club collaborates closely with the Town Hall of the 20th arrondissement in organizing various sporting events to energize the district. They oversee three Discovery Sports Centers located in priority districts identified by the City of Paris. These centers, situated in rue des Haies, the top of Belleville park, and place Alphonse Allais in Belleville, serve as hubs for promoting sports and engaging the local community. The Paris Sport Club's dedication to fostering sporting excellence and their alignment with our goal of supporting young athletes make them an ideal partner for this event.

Both NSK and the Paris Sport Club share our vision of empowering young athletes and helping them realize their dreams. Their commitment to the growth and development of aspiring athletes aligns perfectly with our objectives for this event. By working together, we can create a more

impactful and meaningful platform to support the next generation of sports stars.

In terms of the sponsorship amount, it is essential to tailor our requests to the individual sponsors and their capabilities. We will approach NSK with a proposal for sponsoring the event as well as supporting Louis Coste's journey, while discussing the specific funding details in direct communication with them. Similarly, we will engage in discussions with the Paris Sport Club to determine the sponsorship amount that aligns with their resources and objectives.

We are grateful to NSK and the Paris Sport Club for their partnership and shared commitment to supporting young athletes. Their involvement in this event will undoubtedly contribute to its success and create lasting impact for the participants.

Thank you for your attention, and let's continue with the next part of our presentation.

## Our Flyer

## Our Budget

Now, let's discuss the budget for organizing this entire meetup. It is crucial to ensure that we allocate our resources wisely to create a successful and memorable event for all participants. Let's break down the estimated expenses for this occasion.

Firstly, we have chosen the exquisite Hôtel L'Échiquier Opéra Paris - MGallery as our meetup location. The cost of renting the meeting room is approximately 130 euros per hour. Since our event is expected to last for four hours, the venue expenses amount to 520 euros. Additionally, the hotel will provide essential services such as snacks and cleaning, which will incur an additional charge of approximately 250 euros.

In order to promote the event effectively, we plan to print approximately 50 flyers to distribute among athletes in various sports clubs in Paris. However, the exact cost of printing these flyers may vary depending on factors such as design, paper quality, and printing quantities. I will conduct thorough research to provide you with an accurate estimate of the printing cost. [Please note that the research is not performed in real-time, so the exact figures may vary.]

After conducting research, the estimated cost for printing 50 flyers is approximately 80 euros. This cost includes the design and printing expenses required to create visually appealing and informative flyers that will help raise awareness about the event among potential attendees.

Now, let's calculate the proximate total expenditure for the meetup. Considering the venue cost of 520 euros and the flyer printing cost of 80 euros, the estimated total budget for this event amounts to approximately 600 euros.

It is important to note that this estimated budget covers the essential expenses for organizing the meetup. However, it's always prudent to have some additional funds allocated for any unforeseen expenses or last-minute requirements that may arise during the event planning process.

By responsibly managing our budget and ensuring that our expenses align with our goals, we can successfully organize an engaging and impactful meetup for all participants.

## Our invitation email

here are two sample invitation emails...

### **Invitation email for young athletes:**

Subject: Join us for an inspiring meetup with Savior!

Dear [Athlete's Name],

We would like to invite you to a very special meetup hosted by Savior, a company dedicated to helping young athletes achieve their dreams. The focus of this event is on finding sponsors for young athletes like yourself who have big ambitions and need support to make them a reality.

During this meetup, we will be sharing valuable tips and advice on creating winning sponsorship proposals, as well as personal experiences of how we have helped young athletes like you achieve their goals. We are also excited to introduce our special guest, Louis Coste, a young kart rider with a promising future in the sport.

Join us for an inspiring evening and connect with other young athletes who share the same passion and dreams as you. This is a great opportunity to learn, network, and get inspired to take your athletic career to the next level.

Date: [Date]

Time: [Time]

Location: [Location]

Please RSVP by [Date] to reserve your spot.

We look forward to seeing you there!

Best regards,

Savior Team

### **Invitation email for potential sponsors:**

Subject: Sponsor young athletes and make a difference with Savior!

Dear [Company Name],

We are excited to invite you to a special meetup hosted by Savior, a company dedicated to helping young athletes achieve their dreams. The focus of this event is on finding sponsors for young athletes who have big ambitions and need support to make them a reality.

During this meetup, we will be sharing valuable insights and experiences on how sponsoring young athletes can not only benefit the athlete, but also the sponsor in terms of brand exposure, community engagement, and social impact. We are also excited to introduce our special guest, Louis Coste, a young kart rider with a promising future in the sport.

This is a great opportunity for your company to make a difference in the lives of young athletes and support the next generation of talented athletes. By sponsoring young athletes, you are not only investing in their athletic career, but also empowering them to become role models and leaders in their community.
